96. Cod: 7720-4411. Marca: Jabra. P/N: 6670-904-301. MOTION OFFICE UC MS, Bluetooth Headset, desk phone, mobile phone
Produs: MOTION OFFICE UC MS, Bluetooth Headset for desk phone, mobile phone & PC, On-the-Go-Kit, Microsoft optimized
Descriere: Wireless Technology: Bluetooth
Unified Communications: Yes
Connectivity:
Direct connect to desk phone
This device is connected via USB
Speakers
Frequency Response: Wideband|Narrowband|Hifi
Frequency Response describes the range of frequencies a speaker can produce, measured in Hertz
Digital Signal Processing: Yes
Digital Signal Processing (DSP) is a technology that digitally optimises your voice and music and suppresses echoes
Listening Mode: One ear
Offers mono sound through one speaker
Microphone
Microphone Type: Dual Microphone (Noise Blackout™)
Microphones with Noise Blackout™ have an aggressive noise filter coupled with two microphones utilising Digital Signal Processing (DSP) software to remove noise
Mute function: Yes

Mute gives you the option to mute/unmute the microphone directly on the device

Battery & Power

Talk Time: Up to 8 hours

Talk Time is the maximum time you can talk before a device runs out of power

Standby Time: Up to 360hour(s)

Standby Time is the maximum time a device can remain with power on

Charge Time: Up to 120minutes

Charge Time is the maximum time it should take to fully recharge the battery

Design

Wearing Style: Behind-the-ear

Behind-the-ear wearing style

Remote Call Control

Electronic Hook Switch: Yes

This device supports Electronic Hook Switch, making it possible to answer/end calls to a desktop phone directly from the device

Jabra PC Suite: Yes

Jabra PC Suite enables remote call control with Jabra headsets and the latest generation of UC and IP softphones. Wireless headset users can answer and end calls away from their desk and softphone. With a corded headset, Jabra PC Suite gives you a number of remote call control functions either directly from your headset or from in-line buttons on the cord. The seamless integration between headset and softphone allows users to benefit from enhanced mobility and the ability to multitask while on a call. This freedom improves work efficiency and ergonomics throughout the day.

Control

Movement Sensors: Yes

Movement sensors activate features in a device based on movement, or lack thereof. An example would be turning off a device when no motion is detected.
