## Mouse M115

**Plug-and-play simplicity in a compact, portable design**

- **Plug-and-play simplicity**
- **Compact portable design**
- **Optical tracking**

For notebook users who appreciate the enhanced comfort and precision a mouse offers over an integrated touchpad, the Logitech® Mouse M115 offers plug-and-play simplicity in a compact, portable design. Just plug the mouse into a USB port to get started – no software or batteries to install. The Logitech® Mouse M115 can easily be slipped into a bag and taken with you. Its optical tracking enables responsive and smooth cursor control.
