Wireless Touch Keyboard K400 Plus

Laid-back control of your TV-connected computer.

- 10-metre (33 ft)* wireless range
- Familiar key layout with media-friendly controls
- Unifying wireless
- 18 months** of battery life

Enjoy laid-back control of your TV-connected computer with the Logitech® Wireless Touch K400 Plus. Watch video, browse the web, chat with friends and more, without getting up from your couch. The all-in-one keyboard with touchpad ends the hassle – and clutter – of multiple devices, while a 10-metre (33-foot)* wireless range ensures your fun won't be interrupted. Comfortable, quiet keys and a large touchpad make navigating entertainment effortless. Even setup is a snap thanks to the tiny, plug-and-play Unifying receiver. The 18-month** battery life means you might even forget the keyboard needs batteries.

* Wireless range may vary depending on operating environment and computer setup

** Based on up to two hours typing per day. Actual battery life will vary with use, settings and environmental conditions.
