

The high-end convertible for professionals.

The BlueParrott C400-XT is the premium quality, convertible choice for road warriors. With a choice of wearing styles, over-the-head and two behind-the-neck options (left and right), perfect for those who wear hats. Its large leatherette ear cushion delivers better comfort and sound. The C400-XT also gives you 24+ hours of talk time, so you can talk all day. While 96% noise cancelation—combined with its IP54-rated water resistance and cold temperature rating—lets you take calls anywhere. Familiar B450-XT/B350-XT controls include our exclusive Parrott Button™, that you can set to the function that you choose. And VoiceControl™ for call answering/ignoring makes the C400-XT truly hands free.

Benefits

- Be heard clearly with the industry's best noise-canceling (96%) microphone technology.
- Choose your wearing style: over the head or behind the neck.
- Handle incoming calls totally hands-free with VoiceControl.
- Roam up to 300 feet* from paired devices.
- Set the Parrott Button to your choice of mute, speed dial and more.
- Hear and understand every word with HD Voice™
- Tap to pair** with an NFC-enabled phone or other Bluetooth™ device.
- Choice of leatherette or foam ear cushion.
- Talk for over 24 hours per battery charge.

*When paired with other Class 1 devices. With standard Bluetooth devices, the C400-XT can provide up to 66 feet of range.

**One-touch pairing requires an NFC-capable cell phone or device.
