

The Performance Mouse for **Masters of Their Craft**

Logitech **MX Master Wireless Mouse**

The MX Master™ wireless mouse is Logitech's flagship model.

With customizable functions and a stunning design, this high-performance mouse is sculpted for comfort and crafted for performance and speed.

Enjoy fine-motion control and a fluid experience thanks to well-positioned buttons and wheels. Connect the mouse quickly and easily with the included Logitech Unifying™ receiver or via Bluetooth® Smart wireless technology.

Advanced features include Darkfield™ Laser Tracking, Easy-Switch™ technology, and a rechargeable battery with up to 40 days battery life on a full charge¹.

Logitech MX Master Wireless Mouse

FEATURES

- **Darkfield Laser Tracking**
- **Smart speed-adaptive scroll wheel**
- **Dual connectivity**
- **Easy-Switch technology**
- **Customizable functions**
- **Unique thumb wheel**

BENEFITS

- Turn the world into your mouse pad: Works on virtually any surface with precise cursor control—even on glass (4 mm minimum thickness) and high-gloss surfaces.
- Navigate through long documents and web pages faster and easier with a precision scroll wheel that auto-shifts from click-to-click to hyper-fast scrolling.
- Connect the mouse quickly and easily with the included Logitech Unifying receiver or via Bluetooth Smart wireless technology.
- Pair up to three devices (such as a desktop, laptop or Windows tablet) and easily switch between them with the touch of a button.
- Unlock the full range of possibilities and customize the mouse to your needs with Logitech Options software.
- Experience side-to-side scrolling and advanced gestures with a stroke of your thumb. To unlock the full range of thumb wheel possibilities, install Logitech Options™ software.
