

Digitize all in a snap!

IRIScan™ Desk 6 Pro is a professional versatile document scanner and a support for distance learning sessions. Its innovative Artificial Intelligence (AI) technology like fingers removal, auto page-turn detection, curvature flattening for books, text to speech word by word, video capabilities along with its exclusive IRIS design shape make it the top reference of efficient A3 (11x17 in) document scanning solution on the market.

All books, magazines and paper documents up to A3 (11x17 in) size can be scanned directly at speed down to less mere 1sec/page without being tear or unbind. Even multiple receipts or parking tickets can be scanned at once thanks to its multiple cropping function. It is also the ideal tool for Dyslexic people thanks to the advanced Text To Speech feature that allows you to read and listen in parallel word by word any document!

Its 1D or 2D barcode recognition allows the IRIScan™ Desk 6 Pro to track shipping note, bill of lading, contracts, official documents and export barcode values along with its JPG image.

IRIScan™ Desk software also integrates the latest IRIS OCR engine with a powerful user interface which converts scanned documents into searchable PDF, image PDF, Text PDF, Text, Word, Excel, JPG format and even MP3 or WAV audio files ! Listening to your document becomes a reality !

On top of, its HD lens of up to 21 MP extrapolated along with built in mic allows to catch details, create web tutorial, unboxing video or online demo at up to 30 FPS for an efficient & comfortable remote audience experience !

Discover a new approach to the digitization of documents, books and live demo video. Fully compliant with Zoom, Team, Skype or Google the IRIScan™ Desk 6 Pro will improve your remote sessions and distance learning experience & comfort !

The IRIScan™ Desk 6 Pro comes also along with a free IRIS productivity software's suite: Cardiris (PC) converts your business cards into outlook contact and Readiris PDF Reader offers you an indexed PDFs manager as from any file format in one place.

Key features

- Ideal for use in home, office or while traveling: truly portable design USB powered
- Digitize any documents, books or encyclopedia thanks to AI flatten curve technology! Then convert, edit and share content remotely!
- Powerful camera lens of up to 21 MP along with built in mic to catch any details, create and record Youtube tutorial or unboxing video at up to 30 FPS (HD recording)
- Automatic documents detection. Multiple small documents (receipts, parking tickets, business cards,...) scan at once, just place them on the provided Scanpad. Gain time to submit your expense reports!
- Self-timer shooter: Automatically scan after setting the shooting interval time. Ideal for scanning large volumes or binders without constraints.
- Create .Epub or .PDF format before listening or reading them directly in your favorite electronic reader. Get text to speech capability via MP3 or WAV audio files output format
- Text to Speech Technology (TTS) word by word read & listen to any document
- 1-Click scan: save as a compressed PDF or export to a Word file in just a snap.
- High quality Video Recording function (HD) to record the progress of any operation or demo. Very convenient for recording web tutorials, unboxings, online demo, lesson explanations or live projections.
- 1D or 2D barcode reading capacity allowing export of its value results into Excel or Text file formats along with its matching JPG image.
- Advanced image processing, contrast image settings & features
 - Automatic De-skewing and multi-Cropping
 - Automatic edge filling of damaged document
 - Auto page-turn detection sensor
 - Book curve image-flattening technology
 - Erase finger from image function
 - Front and back cover book detection

Quick reference guide

Product name	IRIScan™ Desk 6 Pro
SKU	462006
EAN code	5420079900974
UPC-A code	765010767953
Custom code	847190

Box Information

Box Size (H x L x D) 13 x 49 x 15 cm / 5.1 x 19.3 x 5.9 in.

Box Weight Around 1.47 kg / 3.24 lbs

Box languages Arabic, Dutch, English, French, German, Italian, Portuguese, Simplified Chinese, Spanish

Box content: Camera Scanner, USB cable, ScanPad, Getting started guide, External USB capture button

Scanner specifications

Scanning technology 13-Megapixel CMOS Sensor – 21 MB extrapolated

Max resolution 5376 x 4032 pixels (21MP)

Max Document size : 420 x 297 mm (A3) or 16.5 x 11.6 in.

Scanning speed Less than 1 second scan per A3 (11x17 in) page in color mode

Lens Fixed focus

Video Record Resolution: 2048 x 1536 (3 MP) / 1920 x 1080 (Full HD 1080) / 1600 x 1200 (UXGA) / 1280x960 (960P)

Built-in LED Lights 4 pcs

Output resolution 300 DPI

Output level Color / Black & White / Grayscale

Interface/drivers USB 2.0 Type B x 1 (For PC Connection)

USB 2.0 Type-A x 1 (For USB Extension)

Power supply 5V by USB powered

Output formats Document: JPG, PDF (Image), PDF (Searchable), PDF (Text), Word, Txt, Excel, EPUB (E-book), MP3, WAV.

Product Dimensions (H x L x D)

- Folded size: 396 x 120 x 90 mm / (15.5 x 4.72 x 3.54 In.)

- Working size: 396 x 120 x 282 mm / (15.5 x 4.72 x 11.1 In.)

Weight 1.15kg / 2.53 lbs

Daily scanning volume Up to 5000 pages

Minimum requirements

- Windows® 11, 10 with Intel i3 or higher
- Mac® OS 10.15 and above with Intel chip or M1 chip (Apple ARM)
- Graphical Card: Intel® Standard Graphics or higher Graphics cards with 2 GB VRAM
- Ram memory: 4 GB
- Hard disk space: 2 GB
- One USB 2.0 or above
