# EPOS

EXPAND 80
Series

Unite colleagues with a premium, scalable Bluetooth® speakerphone for up to 16 in-room participants. Be heard thanks to six adaptive, beamforming microphones that isolate voices from room reverb and ambient noise. A superior speaker for rich, natural sound.

Certified for **Microsoft Teams**   **webex** by CISCO   **BARCO**   Alcatel·Lucent Enterprise   Unify

Key Features

Get your message through with EPOS Voice™

Six adaptive, beamforming microphones and DSP intelligently isolate voices from room reverb and ambient noise

Set up your conference call in seconds

With multi-connectivity, a simple user interface and one touch access to your preferred Voice Assistant or Microsoft Teams*

Rich, natural sound

Powerful ultra-low distortion speaker in a unique suspended speaker box fills the room with outstanding sound, enabling superior duplex performance that allows simultaneous speech

Expand your meetings

Attach up to two expansion microphones for larger meetings

Superior craftmanship, statement Scandinavian design

Crafted with high-quality materials and fabric by Kvadrat for excellent resonance damping and a premium, minimal aesthetic
